

STAN COSMIN

WORK EXPERIENCE

2023 - 2024

Front-End/ Web Developer

Enhancing both online stores and static webpages for various companies, alongside developing personal projects, focusing on optimizing user experience and improving web interfaces.

2022 - 2024

Freelance UI/UX Designer

As a freelancer, I have assisted multiple companies in developing web or mobile interfaces for their applications and web pages.

2019 - 2024

Freelance Brand Identity Designer

As a freelancer, I have brought uniqueness to each brand and placed it in the spotlight, contributing to the visual development of dozens of companies through their brand identity design.
